

Marco Sousa

London, UK / immarco.com / sousa.marco@gmail.com

In collaboration with some of the best people in the industry, I have been creating digital products and experiences for over 8 years. Since 2011, I have been specifically focused on mobile platforms, and have, in the last couple of years, lead the user experience and interface design for multiple consumer products across several industries including transport, banking, media, and retail.
